Dear Secretary of State,

Questions on the consequences of Brexit

Thank you for your reply (ref: 2016-33873) to my letter of 30th June, by K Walker (your Communications Division). I am grateful for the acknowledgement and positive intention.

I do understand from the very general nature of the reply that you are not at this stage able to give answers as to how you will address each item that I raised on behalf of COBIS member schools.

I hope, however, that you and other members of government will have in mind each of the specific areas that I raised when negotiating 'Brexit' (of which the important matter of the status of UK citizens employed as teachers in the EU was only one).

I would be most grateful if you would contact COBIS at the point at which these matters are being negotiated, and keep us informed.

Yours sincerely,

Trevor Rowell  
Chairman
