

Webinar Title	Preparing Children for a Life Online – In Association with Gooseberry Planet
Webinar Date	Thursday 1 March 2018
Webinar Time	13.00 UK Time (GMT)
Target audience	COBIS member schools – Primary, Prep and SEN schools
Learning outcomes	Participants will have time to explore and discuss the current threats and vulnerabilities that exist online for everyone. They will challenge and reflect upon their own online behaviours and explore practical strategies that can be used immediately to keep themselves and others safer online.
Webinar Description	<p>Preparing Students for a Life Online: Stella's dynamic and informative presentation will cover ALL aspects of online safety, but will focus primarily on the following:</p> <ul style="list-style-type: none"> • Managing Privacy Settings • Social Media (Facebook, Instagram, SnapChat etc) • Live Video Streaming • Sharing Personal Information • Latest Apps to be aware of • Online Gaming • Monitoring a child's internet usage • Advice for parents
Presenter Biography	<p>Stella James, CEO/Founder, Gooseberry Planet Ltd.</p> <p>Stella has become a well-known speaker on the subject of Online Safeguarding and regularly speaks at schools and educational events across the UK. She is passionate about raising the profile of E-Safety in schools and about engaging and educating the whole school community. Parents and teachers have a combined responsibility to protect and prepare children for a life online. But are we doing enough? Do we feel comfortable talking about online dangers? CAN we talk about them or does lack of knowledge, coupled with the digital divide between us and the younger generation, make this difficult?</p>
