

# YOUNG SCIENTIST FILM AWARDS

2019

Prizes will be awarded for "Best Overall" in KS1&2, KS3 and KS4&5 as well as for the "Best Film of an Experiment" and "Best Engineering".

## HOW TO TAKE PART

1. Register at [cobis.org.uk/ysfa](http://cobis.org.uk/ysfa)
2. Make a film (less than 150 seconds) aimed at students the same age as you
3. Get feedback from real scientists – if you want!
4. Share your film with the scientists at NPL
5. Check the COBIS website on 12 May 2019 to see if you've won!

## BE INSPIRED!

2019 will mark 100 years since the first non-stop flight across the Atlantic

In 2019 it will be 90 years since the first demonstration of colour TV in New York

2019 is the International Year of the Periodic Table of Chemical Elements

China intends to send a mission to the moon in 2019; the first mission to the moon since 1976

**If these ideas do not inspire you, show us your most exciting experiment!**

**First Review Submission Deadline: 22 February 2019**

**Closing Date: 15 March 2019**

**Full brief and competition rules: [cobis.org.uk/science](http://cobis.org.uk/science)**

Please do not harm any humans or animals or take part in any dangerous activities for your experiment.
