

Webinar title	Bringing Tablet Technology into the Classroom – In Association with COBIS Accredited Members, Doha College
Webinar Date	Tuesday 28 October 2014
Webinar Time	10.30 (UK time)
Target audience	Leadership tasked with implementing a tablet programme into the school curriculum
Learning outcomes	<ul style="list-style-type: none"> • Understand how various options could be implemented • Discuss the impact that tablet technology has had on the learning and teaching • Understand how the IT infrastructure needs to be capable of the demands of tablet technology
Webinar Description	<p>Many schools are moving towards tablet technology. Doha College has looked at various methods to do this from 'Bring your own device' to 100% school funded. The impact of the tablet in classrooms has been amazing, but not without pitfalls. This webinar will touch on some of the pros and cons associated with implementing tablet technology. The infrastructure required to handle this development needs careful planning as does the communication with parents; this will also be touched upon as will the training required to support the implementation of the programme.</p> <p>The Doha College Annual Conference will take place on Tuesday 13 November 2014 with the theme 'Take Learning Mobile'. For more information and to book your place, please click here.</p>
Presenter Details	<p>Paul Young is Vice Principal of Doha College and was the lead on implementing tablet technology to Doha College. Paul has a wealth of experience in a variety of educational areas and is extremely strong on strategic planning.</p> <p>Mark Leppard is the Principal of Doha College and worked closely with Paul through this project. Mark likes to look at an end picture and work with Paul to develop the incremental steps to deliver a successful project.</p> <p>Paul has spoken at the BSO conference regarding tablet technology. Mark is also chair of HMC International Division and on the Executive of BSME.</p> <p>Doha College is a COBIS Accredited Member and has recently been nominated for International School of the Year in the UK Independent School Awards 2014.</p>
